CONFIDENTIAL DEVELOPMENT OPPORTUNITY
Stamford, Connecticut

120-unit Class A multifamily development opportunity
Illustrative offering memorandum prepared for data-ingestion and underwriting-system testing.

SITE AREA	PROPOSED UNITS	GROSS BUILDING AREA	GUIDANCE PRICE
2.80 acres	120	132,000 SF	$7,000,000

Prepared by: Northstar Commercial Advisors (fictional)
Offering ID: NCA-HP-2026-017
Issue date: November 3, 2026
All property, seller, broker and financial information in this package is fictional.

1. Executive Summary

Northstar Commercial Advisors has been retained to market Harbor Point Residences, a 2.80-acre redevelopment parcel in Stamford, Connecticut. The offering contemplates acquisition of an underutilized commercial property and development of a five-story, 120-unit multifamily community, subject to zoning, site-plan approval, permitting and all other required governmental approvals.

The property is being offered on an as-is basis. The proposed unit mix and development program are conceptual and have not been approved by the City. Buyers must independently verify zoning, density, utility capacity, environmental condition, access, wetlands, parking requirements, construction costs and achievable rents.

Seller guidance price: **$7,000,000**. The broker is not representing that the proposed development is entitled, permit-ready or financeable.

Investment Highlights

Attribute	Offering Information
Location	Stamford, Fairfield County, Connecticut
Parcel size	2.80 acres / approximately 121,968 SF
Existing improvements	One-story flex/office building; approximately 18,400 SF
Proposed development	Five-story multifamily; 120 units
Proposed parking	145 spaces, subject to site-plan confirmation
Gross building area	Approximately 132,000 SF
Rentable area	Approximately 112,800 SF
Current occupancy	Reported vacant; buyer to verify
Guidance price	$7,000,000

2. Property & Site Information

Address: 410 Harbor Industrial Road, Stamford, CT 06902 (fictional test address)
Parcel ID: 003-417-008
Municipality: City of Stamford
County: Fairfield
Current use: Flex / light industrial
Site area: 2.80 acres (121,968 SF)

Existing improvements comprise an approximately 18,400 SF single-story flex/office building, surface parking and paved service areas. Seller reports the property is vacant. No rent roll or in-place income is represented.

Preliminary site observations (unverified)

Item	Seller / Broker Information
Topography	Generally level; localized grade changes along eastern boundary
Access	One curb cut from Harbor Industrial Road; secondary access subject to approval
Utilities	Public water, sanitary sewer, electric and gas reported available nearby; capacity unconfirmed
Environmental	No reliance may be placed on prior reports; Phase I ESA recommended
Wetlands	No delineation provided; buyer to commission review
Flood zone	FEMA mapping and local drainage requirements to be independently verified
Soils	No geotechnical report provided
Zoning	Existing zoning designation and multifamily entitlement pathway to be confirmed

Due Diligence Items

Buyer should investigate title, survey, easements, access, zoning, site-plan approvals, wetlands, floodplain, environmental condition, geotechnical conditions, utility capacity, impact fees, demolition requirements, tax status, labor availability and all applicable building and energy codes.

3. Conceptual Development Program

Component	Conceptual Program
Building configuration	Five stories; wood-frame over podium / mixed structural system (concept only)
Total units	120
Studios	12 units
One-bedroom	60 units
Two-bedroom	42 units
Three-bedroom	6 units
Gross building area	132,000 SF
Rentable area	112,800 SF
Parking	145 spaces
Amenities	Lobby, fitness room, resident lounge, mail/package room
Outdoor areas	Courtyard, landscaping and resident gathering space

Conceptual Unit Mix & Market Rent Guidance

Unit Type	Units	Avg. Monthly Rent	Annual Potential Rent
Studio	12	$2,400	$345,600
1 Bedroom	60	$3,100	$2,232,000
2 Bedroom	42	$3,700	$1,864,800
3 Bedroom	6	$4,500	$324,000
TOTAL	120	$3,302 weighted avg.	$4,766,400

Rent guidance is illustrative only and is not supported by executed leases, third-party market study or broker rent comparables.

4. Preliminary Development Budget

The following is a sponsor-prepared preliminary estimate for underwriting discussion. It is not a contractor bid, guaranteed maximum price or lender-approved budget.

Cost Group	Amount
Land acquisition	$7,000,000
Acquisition / closing costs	$250,000
Predevelopment	$750,000
Hard construction costs	$25,000,000
Soft development costs	$5,000,000
Hard-cost contingency	$2,000,000
Initial reserves	$2,000,000
TOTAL DEVELOPMENT BUDGET	$42,000,000

Preliminary Financing Assumptions

Item	Assumption
Senior construction loan	65% LTC; initial principal assumption $27,300,000
Interest rate	SOFR 4.00% + 3.25% spread = 7.25%
Origination fee	1.00% of initial principal
Unused commitment fee	0.50%
Interest treatment	Capitalized monthly, subject to lender facility limits
Equity	90% LP / 10% GP
Investment horizon	48 months

5. Operating & Exit Assumptions

Operating Item	Assumption
Stabilized physical occupancy	95.0%
Vacancy / credit loss	5.0%
Other income	$175 / occupied unit / month
Annual rent growth	3.0%
Annual expense growth	3.0%
Property taxes	$400,000 / year
Insurance	$120,000 / year
Utilities	$150,000 / year
Repairs & maintenance	$1,200 / unit / year
Payroll & administration	$180,000 / year
Management fee	4.0% of effective gross income
Replacement reserves	$300 / unit / year
Target stabilized NOI	$2,950,000 (validation target, not a plug)
Exit capitalization rate	5.00%
Disposition costs	2.00% of gross sale price
Target disposition timing	Month 48

6. Due Diligence & Risk Factors

This is a synthetic data-ingestion test package. It is not an actual offering, investment recommendation, appraisal, market study or representation of property condition. All names, addresses, parcel identifiers, rent assumptions, costs and financial projections are fictional. The proposed development program is conceptual and subject to all required approvals.

Potential diligence items include zoning and entitlement risk, environmental conditions, wetlands, floodplain, geotechnical conditions, utility capacity, construction pricing, labor availability, schedule risk, financing availability, property tax reassessment, leasing velocity, achievable rents and exit liquidity.
